

# NEVADA PAINT HORSE CLUB

Well, here we go again, sorry this is a little late this month. I kinda' was waiting to see if anyone had anything to print. Please remember this is your club.....let us hear from you.

I heard this morning on the news that a horse had to be put down here in Fallon from West Nile Virus complications.....Please be sure that your vaccinations are current, we must be responsible for the health and welfare of our animals, and of course, take care of yourselves. We were lucky here on the west coast to have prolonged the virus invasion last year, but we got it now, so please be prepared.

Dave Ruby has had a horse related accident, we hear that he is home from the hospital, and thinks he will be up and at um' at the Carson City show. So that he doesn't try and overdo himself, PLEASE STEP UP AND VOLUNTEER SOME OF YOUR TIME TO SHIRLEY RUBY TO HELP WITH THE SHOW!! She seems to think that she and the girls can handle it alone, but why should they?? We are all supposed to be together in this horseshow thing, so let's prove it and take a load off of her. Thanks, I know I can count on ya', after all we never know when we might require a little help.....right????

Well, we all took the trek to Ely on June 10<sup>th</sup> and the show seemed to go well, although it did seem smaller than last year. I heard from some first timers to Ely, I'll quote one written remark that I received, "Missed class-no PA at barn, PA so lousy can't hear unless at the arena gate, hauled (3) horses 1000 miles for nothing". Although I had nothing to do with the problem, I do feel sorry for the exhibitor. We had a similar situation last year with not being able to hear the PA system and missing our class and we were at the south east side of the arena! This year we made sure we were close to the back gate with our rig, so that we could not only hear the PA system but visually keep track of the classes.

Enclosed is the info on our August 27<sup>th</sup>-28<sup>th</sup> show, about the only change is that Terry Wirthlin has switched dates with Mike Craig. Remember, there will be a triple point Pinto show at the same location on August 29<sup>th</sup>, for further information give Sandy McManus a call at (775) 423-2317. A pinto representative will be available on Saturday afternoon between the hours of 4:00 and 8:00 PM to complete your inspection and registration for the reduced price of \$50.00, be sure to have the required photos with you (2) front, (2)left side (2) right side and (2) rear. Also, you must join PtHA and enter one class for the reduced registration fee.

Attached are the minutes from the June 6<sup>th</sup> youth meeting. I didn't get them until after the last newsletter was mailed. All youth be sure to attend the next meeting.

Our next general meeting will be August 29<sup>th</sup> at the Fallon fairgrounds, following the youth meeting.

See ya' at Carson City on the 31<sup>st</sup>.
