

NEVADA PAINT HORSE CLUB

The June 5th Fallon show went as well as could be expected considering the sadness that hung over us with the passing of our good friend and fellow exhibitor, Sharon Bates. The show started with tributes paid to Sharon by several members of NPHC including David Ruby, Roy Bock, Sharon Avery and Pam Giovanetti.

Knowing that Sharon would have wanted things to continue, we all took a deep breath and tried our best to handle the business at hand by leaning on each other.....it's amazing how much strength is pulled from the unspoken word.

Roy and Carol Bock again, did more than their fair share, with Roy also doubling as announcer for the day. Everyone helped with ring work and everything went smoothly. The entries appeared to be up with large halter and performance classes, however, the speed classes were disappointing with several being cancelled, but, all in all an okay day with a net profit of \$6,312.24.

We held our June meeting on Sunday morning (minutes attached), at the fairgrounds before everyone pulled out for home. The next meeting will be held August 29th, the day after the Fallon show. Be sure to read the minutes regarding the Pinto show that will be held on August 29th at Fallon. This is a great chance to get your horse registered Pinto, if you want, at a reduced price.

We are trying to reconstruct the attendance records from the March and April meetings. Please let us know if we missed you at the following:

March meeting held in Reno- Ken Winder, Karen Leiker, Jason & Donna Carlile, Sandy McManus, Margie Ostrander, Beverly & Tim Tommaney, Sharon Bates, Carol Pchelkin, Gene & Sandi Young, Carolyn Greene, Sherry Gibb, Fayann Gramanz, Gary & Sharon Avery, Toni Dalluge and the Ruby Family.

April meeting held in Carson City- Sharon Bates, Carol Pchelkin, Gary & Sharon Avery, the Ruby Family, Beverly Tommaney, Traci Smith, Toni & Shelly Dalluge, Sandy McManus and Margie Ostrander.

Our next show will be July 31st in Carson City at Fuji Park. Please remember to try and find some time to help out at the shows. Every little bit helps, and it will take some of the load off of the people that always seem to get stuck with the biggest share of the work. I thank you and I know they willas you know, none of us are getting any younger.

Please remember to send any news or items you want in the newsletter. You can send them to Sandi Young, g_sstables@gasisol.com or call me at 775-423-5824 or send to Sharon Avery, windsong@phonewave.net or call her at 775-867-3154. This is your club, we want you to participate.

Remember, if you have nominated for NSCC year end awards, get them in a little earlier to avoid the postal charges for return receipt mailings.....it only takes a second and will save you some money, and I can't guarantee that I will always be here to sign on the last day.
