

# NEVADA PAINT HORSE CLUB

Well, looks like we made it through another show year with our last meeting concluding the process on October 30<sup>th</sup>. We even had two members fly up from Riverside CA to attend the meeting and complete their requirements for the year end awards. We had a good meeting with several improvements voted on for the coming year (see attached minutes) and we ended the meeting with the drawing for the wonderful prize donated by Marc Bingham of a stud service to his nice stallion Barlink Page.....and the winner is Amanda Brinnand of Stagecoach, NV!!!! Thanks Marc, and congratulations to you and Barlink Page for winning the top year end honors for NSCC, NPHC, and NCCC just to mention a few.

Some of you may not have been aware that Roy Bock (our dedicated horse show secretary) suffered a severe health set back just after our last Fallon show. I am pleased to tell you that he is on the road to recovery and hopefully he will allow himself the time to recuperate to the fullest. There is no way we could run our horseshows without Roy and Carol and their dedication to detail and good humor.....take good care, we need you.

Last year at the banquet Dave Ruby mentioned that the youth group would like to run a golf tournament on the morning before this years banquet and that each barn or show family should get a representative ready for it. Well, I don't have any of the details but if you're interested in participating, give Dave a call. This could be a really fun deal, if we don't take it too serious, and best of all the proceeds will go to the youth group. I have my own ideas on how to level the playing field for all, but I'm sure the serious golfers might object to my ideas.....anyway, give Dave a call if you're interested.

We will be notifying the year end winners and this is just a second reminder for all concerned. If you have a preference for your year end award, you must contact Sharon Avery before November 30<sup>th</sup> or she will select your award for you, please see the minutes for complete details.

We are hiring judges at this time, so if you have someone that you would like considered, please call Sharon Avery or Gene Young ***NOW***. Remember, if you don't participate, you can't really complain, we are trying to include all members in the process, however, time is a wastin' and the good judges are booked early.

As the show season draws to an end it's time to clean out the trailer, tack room, and wardrobe. If you have anything you would like to sell, trade, barter on, etc. let me know, there might be someone that could use what you have. Also, remember it 's only a couple of months before babies will start hitting the ground, let us know what ya' got.
