

Bits and Pieces:

I need to make a correction on my last newsletter. It was brought to my attention that Tracy Smith's donation of a breeding is not to The Rookie as stated, but to his son RookiesGalantAparition, a homozygous tovero. Sorry for the mix up and thank you Tracy for this very kind donation to the youth raffle.

Claudeane Killfoil sent an update on the new arrivals at her place. A dun colt half Arab/half APHA by Cotton Pickin Smoke out of an Arab mare. A grullo overo colt by Cotton Pickin Smoke out of Miss Melodys Hobby (QH), a chestnut overo colt by Wild About Who, out of Commanders Brass (QH) and one sad note that her grullo tovero filly by Cotton Pickin Smoke out of Voodoo Kiss had to be put down. So sorry Claudeane.

I have a sorrel overo yearling colt by FPF Lethal Weapon out of a Cracker Jack Sonny mare here that's for sale. He is with us for some ground work and fitting and will make someone a winner. If you have interest in this nice colt or would like more information about him give me a call, and I'll put you in touch with the owner. He's a nice colt, and ***will definitely be a winner.***

At the June 13th meeting of Northern California Championship Circuit (NCCC) there was a discussion regarding the current show schedule which omits the Paint-O-Ramas for points. They would like the reps to ask for a vote from their members to approve (1) POR and (2) one day/two judge shows for each affiliated club to count for points in the 2006 show season. If you have any objection to this idea, please notify me prior to the next NCCC meeting, which is scheduled for August 8th. You can reach me at (775) 423-5824 or email me at g_sstables@oasisol.com so that our rep can vote on your behalf.

Don't forget we'll have the exhibitors appreciation barbeque at the next horseshow. This is always a good time to take a few minutes to visit with and/or meet new friends while enjoying some really great food. We hope you all enjoy this event, and know that you are truly appreciated for your participation in our shows.
