

It will be the owners/exhibitors responsibility to send in their show bill/receipt from ALL Shows. This must be received by the point keeper within 15 days after each show ends.

Any individual will be recognized as a member of NSCC upon nominating a horse and becoming a member of ENPHC, SSPHC, or NPHC.

A fee of \$2.00 per horse per judge will be collected from all exhibitors attending all shows sponsored by NPHC, ENPHC, and SSPHC. It is the responsibility of show management of NPHC, ENPHC, and SSPHC to send the collected fees to the NSCC Secretary to be used to purchase awards at the end of the year. The nomination fees collected will also be used to fund the awards program.

This is an optional awards program and provides an avenue for a State Champion. The clubs affiliated with this awards program offer separate awards programs and you can contact the club representative listed below for more information.
