Congratulations to Kristi Ruby

The Nevada Paint Horse Club has many outstanding and exceptional members and exhibitors. Recently, Dr. Kristi Ruby, DMV has passed all of her exams, boards, and other requirements to become our newest exceptional club member/exhibitor. Thank you Kristi for being a motivating example for everyone. **Congratulations and Good Luck** on your future endeavors.

August Poor-Boy Class List change

Okay, We hope you don't get too sick & tired of us, BUT we are going to keep telling everyone until the August NPHC show is finished but, ...Due to a scheduling mess-up at Parks and Rec, NPHC has made the decision to change the class list for the 2013 August show. The small green arena was leased out for a roping event on Saturday August 10th, so we will be showing in the large main arena on Saturday, then return to the small green arena on Sunday. Due to this conflict, the difficulty we have of people hearing the announcer at the big arena, and some safety concerns, NPHC plans to hold the Sunday events on Saturday and the Saturday events on Sunday. It may sound complicated, but it's not. The class list has been swapped around and should be self-explanatory. The class numbers do not change from the other shows. If you look at the class list and have any questions, please contact either Roy or Sharon for more information. Thank you for your understanding...

and finally:

If you are reading this newsletter on-line or at a friend's house and did not receive a copy in the mail with all of the June show information, contact Membership Chairman Roy Bock and check on your status. Maybe you forgot to renew your membership or need to update your address.

Make sure you take care of your APHA membership, Youth or Amateur cards, horse registrations, or anything else that you need for the 2013 show season.

See you in Fallon in June for the annual Nevada Paint Horse Club's **SHARON BATES Memorial Paint-O-Rama**.

Congratulations to Christine Boehle, the 100th member of the Nevada Paint Horse Club's Facebook page. See us at:
