Old Business.....none

New Business

Incentive amount to be determined at a later date. We have decided to do a separate raffle for the paint gelding that was donated by Alan Plimpton... the scholarship will be named after Shelia Plimpton. Roy bock checked into the tickets and found a site with cheap tickets on it and if we don't get any donations for the cost of the tickets then that's less money that goes into the scholarship. As a group we decided to set up a clothes rack in August in the dry gulch but we need to ask if there is other people that want to put stuff in there. Cut off date to be determined at a later date. The youth would get 10% to 15 % of the money we bring in from each person. Sammantha Pope stepped down from her V.P. and national director because she is getting married in July. TJ Greene volunteered to be the V.P. motion made and 2nd. Motion carried. National Director Connie Gibb volunteered.... motion made and 2nd. Motion carried.

Next meeting will July 29th Saturday in Fallon.... time to be announced. Remember, if you are qualifying for awards or in incentive awards program, you are required to attend 2 NJPHC meetings.

Motion to anjurn by Shellie Dalluge motion made and 2nd.
