

Nevada Paint Horse Club

Announcing the 2017 NPHC Exhibitor Participation Incentive Program

THANK YOU to the Bonanza Inn & Casino - Super 8 Motel for your continued support. Please plan to attend the four (4) Nevada Paint Horse Club shows in 2017. Invite your friends and spend some horse show road-trip weekends in Fallon, Nevada.

In a continuing effort to encourage new & returning exhibitors and generate additional attendance at the four (4) Nevada Paint Horse Club shows in 2017, the NPHC Exhibitor Participation Incentive Program has returned for 2017. Each show will have exhibitor prizes given out on Sunday, culminating in a grand prize drawing at the last show for a saddle. For the 4th year in a row the Bonanza Inn & Casino, NPHC's host hotel and 2017 show partner, will sponsor a saddle that will be awarded to a lucky exhibitor in September. This year's saddle may be a working saddle and should be available to view once received.

Entries will be given to exhibitors, linked to the horse's back number, and based on the number of **pre-entered** classes up to five (5) tickets. In addition, a bonus ticket will be given to exhibitors who are NPHC members. All of the prizes available at each show will be awarded during the lunch break on Sunday, but **you must be present to win**. You can receive up to five (5) tickets per show + a bonus ticket for your NPHC membership. That's a possible six (6) chances from each of the four shows or up to 24 chances to win the saddle at the end of the show year.
