

NEVADA PAINT HORSE CLUB

Well, we made it through our last show in good shape. Everyone seemed to have a good time and the weather really cooperated with the except of some breeze's in the afternoon. All in all it went okay, and we even managed to get a meeting in with 53 members attending.

Marc Bingham has graciously donated a breeding to his very nice stallion *Barlink Page* with the proceeds going to the youth group. They sold tickets at the show and were going to draw at the meeting, however, it was decided that maybe some of the members that didn't attend the show would like a chance to breed to this really nice horse, sooooo there is an order form attached to this newsletter from the youth group that will enable you to purchase tickets, but you must act on this offer before October 27th, so don't put it off, you can't beat a deal like this. Thank you Marc, you are indeed a gentleman for this wonderful gesture.

Be sure to get your points into the appropriate hands so that we can begin the task of tallying points, verifying meetings and making sure you met all of the requirements laid out in the directory to qualify for your year end points.

In case you missed it, the Zone show will be moving to Utah for the next (3) years and then to California the following (3) years. It will be held in the Salt Lake area (South Jordan I think) and the anticipated date is over the Memorial Day holiday. I think it's about a 7 1/2 hour drive from Fallon, so it's kinda' like going to Vegas.

Remember if you are lacking a meeting to qualify for your year end awards, the last meeting will be on October 30th @ Round Table Pizza, Mae Anne Ave & North McCarran Blvd., in Reno at 1:00 PM.

Give some thought regarding the judges for next year, we have to start hiring them soon. If you have any that you would like considered, let me know and we'll see what can be done. But, don't wait too long, the good ones go fast. Remember, all of NPHC shows will be in Fallon next year, we were lucky enough to get all of our regular dates.

Here's a little recipe that everyone seems to really like and best of all it's so easy. But, if you do serve this up, be sure to look really worn out otherwise, everyone will find out just how fast and easy it is!!
