**Bits and Pieces:**

A big thank you to all who helped with the exhibitor's appreciation barbeque held at the July horseshow. Not only do club members participate but we have a group of volunteers that take time out of their busy schedules to help Sharon Avery put this on every year. Thank you all, you are truly appreciated.

Carolyn Greene has a Stubban Edelweiss – 16" (she thinks), maybe ridden 10 times complete with irons, leathers, girth, pad and cover in great shape. Also a bridle w/snaffle bit, always in a bridle bag. She is asking \$700 for the saddle.

Shannon Gettings has a 2002 chestnut gelding by LS Skippen Scotch and out of a Sir Norfleet daughter, he has about 6 months training and is "safe, sane and a nice boy". She is asking \$2500 for him but will look at all offers. You can reach Shannon at (775) 475-2400.

Stephanie Schell has a yearling colt for sale by FPF Lethal Weapon (100+ Western Pleasure points) and out of a direct daughter of Cracker Jack Sonny (Superior All Around & (3) time world champion). This is a very handsome big sorrel overo colt that will be a awesome halter and performance horse. Call Stephanie @ (775) 867-5263 or Sandi Young @ (775) 423-5824.

I think Gary & Sharon Avery might have a couple of babies left, they have sold quite a few here lately, so you might want to check with them if you're looking.

Nevada was well represented at the Anderson, CA horseshow over Labor Day weekend with the Ruby family, Gene & Sandi Young, Pam Giovanetti and Sandy McManus in attendance. The weather was great for a change (it has been over 110 degrees there on some Labor Days) and we all got to take some of the awards back to Nevada, as well as do some promoting for the NPHC shows.

Please remember to send me any news or items you might want to sell or buy.
