

## OCTOBER NEWSLETTER

Our sincere condolences go to Roy Bock for the recent loss of his Grandmother.

Christine Boehle had a colt fall with her leaving her with a severe leg break and lots of metal inserts. Christine, I've been there and done that, and the one thing to look forward to is making the security people at the airport do double time when you go through the metal detector!! Hope you're feeling better by now.

There were also (3) alternates drawn in case the first three weren't interested in the breedings. The alternates are; Becky Tabor, Elise Jaramillo and Cathy Thayer.

Sandy McManus has asked me to remind all of you to be sure to get your memberships in early next year so that all of your winnings are counted. She is planning on putting together a membership insert that will be in your newsletter right after the first of the year.
