

**NEVADA PAINT HORSE CLUB
MEETING JUNE 7, 2009**

President Todd Goodwin called the meeting to order at 9:06 A.M.

The minutes of the last meeting, which was held Feb. 15th, were read and approved. (Shirley moved, 2nd by Carol)

Shirley gave the treasures report. There is \$11,342.79 in Wells Fargo. Motion was made & 2nd to approve the report as given. (Carol moved, 2nd by Mel)

Old business:

There was a short discussion on the ENPHC show. Sharon was still concerned how the show, which is approved by NPHC for points, was going to be fair to all. This is because not all classes are offered in the ENPHC show. Her suggestion was to count the show for individual class awards but not for the high point awards. It was asked if this would be a problem for the point keeper and Roy said it was not. A motion was made and 2nd to only count the points towards each class award and not for high points. Motion carried. (Buck moved, Christine 2nd)

New Business:

The club is in need of a new coffee pot. Vic Tabor offered to buy a new one.

The bridge that we use in the trail classes has aged to the point that it is not safe. Motion was made and 2nd that the club buy the material and Gary will build and paint it. Motion carried. (Moved by Mel, 2nd by Janice)

Ken Winder, our APHA National Director, reported on some things that happened at Workshop. A complete copy of rule change proposals was given to Sharon and will be posted on our web site. Let him know how you feel about these changes.
