Washoe Lake State Park = FACILITIES AND SERVICES

- **Day-use:** Day-use areas are located at the Wetlands, South Beach, Main Entrance, North Ramp and Little Washoe. All areas have comfort stations and developed picnic sites. The main access area is the largest with lawns, sandy beach areas and shade trees.
- **Camping:** Camping is permitted at the campground, with 49 sites, each with a table, grill and fire ring. The campground is open year around and available on a first-come, first-served basis. Some sites are equipped with shade structures. Two comfort stations, one with a shower, are available. Several sites can hold RVs up to 45 feet in length. There are no hookups available, but a dump station is available. The camping limit is seven days in a 30-day period.
- **Equestrian facilities:** Equestrian areas are found at the Main Area and North Ramp. The Main Area facility includes an arena, corals, horse washing station and a covered barbecue area with tables, grill, sink, counter space, power, water and lighting. Camping is permitted for both tents and RVs with large parking areas for easy horse trailer access. This area can be reserved for groups of up to 200. The North Ramp facility is day use only and provides restrooms, parking, and picnic tables.
- **Group-use:** The Group Area near the Main Day Use Area and Boat Launch can be reserved for both day and overnight use. Facilities include a covered pavilion, restrooms, 20 picnic tables, barbecue grills, power, lighting, sink, counters, a sandy volleyball court and horseshoe pits.
- **Boating:** Boat launching ramps can be found in the Main Day Use Area, North Ramp and at Little Washoe. Boat trailer parking sites are provided.
- **Hiking:** Trails are available throughout the park for motorized and non-motorized uses. Non-motorized trails accommodate hikers, mountain bikers and equestrian riders. Motorized trails are limited to the Virginia Range east of the park. Maps are available at the park office and information kiosks throughout the park.
